CONGRESS FOR
POLITICAL
COMMUNICATION

POLITICAL SUCCESS CAN BE PLANNED.

POLITICOM

The 2nd edition of Politicom will take place from December 4-5, 2024 at the Hotel Stefanie in Vienna. Politicom represents the best of the political campaigning and advocacy landscape and places a strong emphasis on networking, high-quality presentations and open discourse around current challenges.

We analyze the increasing complexity of political communication and trends in voting behavior and present tools and approaches that take into account the new rules of the game under a growing dominance of AI-powered technologies and social media. Last but not least, we focus on the role of the media and analyze the accuracy of party-owned channels.

Politicom combines theory and practice in lectures and discussions, including an award ceremony and plenty of room for mutual exchange at lunch, at the evening event and during the breaks. We look forward to seeing you there.
